Requirement**

King County Code (KCC) 16.82.090 requires the applicant to maintain a liability policy in the amount of one hundred thousand per individual, three hundred thousand per occurrence, and fifty thousand property damage (\$100,000 / \$300,000 / \$50,000), and shall name King County as an additional insured. King County must receive proof of this policy prior to commencement of any work authorized under this permit.

To comply requires submittal/confirmation of ALL of the following documentation:

1. An ACORD Certificate of Insurance and a copy of the Additional Insured Endorsement. King County prefers CG2010 (Form B), however, if your insurance company does not use the standard Form B, you may submit a substitute and our Risk Manager will review and either approve or deny the substitute form.
2. Under the section labeled "DESCRIPTION OF OPERATION, LOCATIONS, VEHICLES, SPECIAL ITEMS", please insert:

King County, its appointed and elected officials and employees, are named as an additional insured with respect to liability relating to Clearing and/or Grading Permit Number, _____. This policy provides insurance in the amounts and types of coverage required in KCC 16.082.090.

3. Under the cancellation section, please insert:

Should any of the above-described policies be canceled before the expiration date thereof, the issuing company will mail 30 days written notice to the certificate holder named to the left.

4. In the box labeled, "Certificate Holder", please insert:

*Department of Permitting and Environmental Review

35030 SE Douglas Street, Suite 210
Snoqualmie, WA 98065-9266*

Please send the ACORD Certificate of Insurance and a copy of the Additional Insured Endorsement to the address listed above under item 4.
